

Make it Simple. Make the Connection. Collaborate with Confidence.

NovoPro

Wireless Presentation and Collaboration Solution

The NovoPro

COMPREHENSIVE COLLABORATION

Capable of supporting up to 64 session participants at once, NovoPro also can display up to four devices simultaneously via split-screen, a useful feature for comparing materials side by side.

ON-SCREEN ANNOTATION

With the easy-to-use markup pen, eraser, and color-fill tools, educators and students can effortlessly annotate content, enabling them to more effectively communicate with their audience and peers.

EDUCATOR ADMINISTRATION TOOLS

Designed to empower educators with a suite of class-management tools for the digital age, NovoPro's Education Mode includes mobile device lock, session termination, and class attendance features.

IOS & ANDROID MIRRORING

Beyond typical desktop and laptop computers, to accommodate the wide range of devices students and educators depend on, NovoPro also supports full mirroring of IOS and Android devices.

Key Features

Enhances classroom activities in the digital era

Multi-platform wireless presentation system:

Mac PCs / Chromebooks
