▶ Qumi Q3 Plus – Wireless Projection with Power

Q3 PLUS

SUPERSIZE FUN & GAMES WITHOUT CONSTRAINTS!

720p | 500 lumens | embedded battery | 1 lb

Qumi Q3 Plus is a powerful, bright, pocket size projector with an integrated battery, Wi-Fi and Bluetooth to make it easy for you to instantly switch on and enjoy a **2.6m/100" diagonal** screen anywhere you want.

▶ Qumi Q3 Plus – Wireless Projection with Power

Q3 PLUS

Turn any content from your mobile phone, tablet or game station into a large screen projection instantly with Qumi Q3 Plus. This super small projector is a natural extension to your tablet or phone.

Thanks to Bluetooth connectivity, pair your Qumi with speakers for great audio performance or with a mouse for easy navigation through Android OS.

Its embedded Wi-Fi lets you easily connect and project without the hassle of cables.

Just turn it on, mirror your phone screen and truly enjoy video or pictures with friends or family!

What's more, thanks to the integrated battery, you won't be dependent on any plug-in energy source to project. Whether it's a garden party, a weekend backpack trip or simply the electricity point is out of reach – just unpack your Qumi Q3 Plus, turn it on and enjoy the show!

▶ The New Qumi Q3 Plus is Packed with Exciting Features:

Q3 PLUS

Small & handy to match your phone **1 lb and 6.9 x 4.0 x 1.1 in**

Bright picture thanks to **500 lumens** brightness, with **HD720p resolution**

Entertaining on the go is made possible thanks to its **PC-Free Reader** to preload media and document files to display without a computer at source

Enjoy the big screen: **2.6m/100" diagonal**

Android OS system on board

Many of your **favorite apps are preloaded, ready for downloading**

Preload your own content using the onboard memory : **8GB; 5.1** (user available)

Available in **Black, White, Red, Gold**

▶ Qumi Q8 – The First Full HD Projector in Pocket Size

Q8

ENJOY A HOME CINEMA EXPERIENCE

If you're looking for the **home cinema experience** of a large Full HD image, but without a huge TV or a projector fix-installed in your living-room, then the Qumi Q8 is your perfect fit. Enjoy games, movies and other content on the big screen, whether at home or work.
